

# FOUR HOURS IN GETTYSBURG

Begin your visit to Gettysburg at the Gettysburg National Military Park Visitor Center.

There you will see a short film discussing key aspects of why the battle occurred. Afterward a brief walk upstairs will bring you to the famous cyclorama painting. Created in the late 1880's, this historic artwork showcases the last great attack in Gettysburg. Sight and sound brings the fighting to life right before your eyes!

Next the group will board their bus with a seasoned Licensed Battlefield Guide. The guide will instruct the group on the battle that changed the course of the war, touring past monuments, cannon and grounds that still hold the mystery of why the theatre of war settled in Gettysburg. But there is a twist to this tour, somewhere on the battlefield the group will be greeted by a living historian to further immerse them into the times that have shaped our nation!

Whether you have just a little or much more time to spend in this must see historical location, GGR will create the perfect itinerary for any group!
