

FUN WITH HISTORY

Get a bird's eye view atop the Famous Double Decker Bus. An experienced Battlefield Guide will regale your group with 2 amazing hours of American History, gorgeous countryside and historic town building that have stood the test of time and war!

Tour the Gettysburg National Military Park Visitor Center and see a short film about the battle, then view the famous cyclorama, painted in the late 1880's. A sight and sound presentation literally brings the fighting to life right before your eyes!

View the entire battlefield all at once- in miniature at the Diorama History Center! The largest and smallest display of the fields and town, will help everyone to understand the struggles both armies went through!

End your day with an exciting ghost tour! Hear haunted tales and tragic history as you walk through the dark, upon hallowed ground. This tour concludes inside a truly haunted house! Will you go to sleep with the lights on or off?!

All tours are customizable and can accommodate small groups and large groups!
