New Recruits Wanted!

STUDENT ITINERARY

Looking for a more hands on experience for your students? You've come to the right place as we're in the process of mustering up our next Gettysburg recruits!

We'll start the day at the Seminary Ridge Museum with the "Become A Soldier" program so your students can see just what it takes to get into fighting shape as a Civil War Soldier!

Next it's time to explore the battlefield with a Licensed Battlefield Guide, as a good soldier you should always know the lay of the land.

All this training will have bellies rumbling so after your tour, it's time to head back to camp and eat in an authentic civil war camp surrounded by tents, wagons and more!

After the troops have refueled it's time to visit one of the historic homes in Gettysburg to get the perspective of the townspeople during the battle. Learn about their interactions with the soldiers during and after the famous three days of fighting.

You'll wrap up your day with a visit to a civil war farm and former field hospital to stretch your legs and enjoy a tour of the home and barn.

Now that your training is complete it is now your turn to go home share what you've learned with your classmates and families!
