WWII IN GETTYSBURG

ADULT WWII ITINERARY

Gettysburg is internationally known for its civil war history and connection with Abraham Lincoln, but did you know that Gettysburg has multiple fascinating connections with World War Two?

Join us as we explore the hidden gems, new attractions and fascinating stories of WWII that are weaved throughout this historic town.

Once you arrive in Gettysburg an expert guide will step on to your coach and take you throughout town sharing details of Gettysburg's important role during wartime and pointing out secret locations of a former WWII POW camp, psychological warfare facility and more!

Your tour will finish up at the WWII American Experience Museum & Education Center. Opening in the summer of 2022. This brand-new museum educates the public about the American sacrifices made during the world's largest conflict of the 20th century, both on the battlefield and on the Homefront.

Here, you can experience a wide variety of authentic WWII vehicles, uniforms and artifacts in realistic dioramas and exhibits that portray, not just the battlefield, but the Homefront as well.

After an onsite boxed lunch, we'll head out for a tour of the home and farm of President Dwight D. Eisenhower, supreme commander of the allied forces during WWII. Here you will enjoy a partially guided tour of the home and grounds and hear tales of visits from influential world leaders such as English WWII hero Winston Churchill.

While Gettysburg will forever be known for the battle of Gettysburg we are proud of the contributions our small town had in another great conflict in American history.
